

Gold Medal Wine Club features two wines each month from only the best small wineries of California. Featured wines include those which have earned medals in the top wine-industry competitions or have been highly rated by a respected national wine publication. On occasion we feature a wine which is of high medal-quality, but due to its very limited availability or by preference of the wine producer, may not be submitted to these venues for review. Each and every selection is a superb wine made in small quantities and with limited distribution. There are over 1,200 wineries in California producing thousands of different wines. Only wines fitting the above criteria are considered in choosing the featured selections each month.

## 2003 VIIGNIER

As much as we like Chardonnays, it's always nice to have another flavor to match with cuisine. Viognier is a little softer and more flowery than Chardonnay so it goes with less demanding foods. The Cobble Creek Viognier has a nose that is fresh and bright and offers intriguing, exotic tropical fruit scents. Lively in the mouth with gorgeous flavors of pineapple, honey and banana. This flavorful rendition expands nicely in the mouth with lots of up front fruitiness and a whisper of oak-like spice. Nice, smooth, cleansing finish that has you coming back for more. This wine is very appealing right now and yet may improve over the next 10 to 12 months. Makes a great pairing with Oriental foods, especially sushi. 100% Viognier.

**Very limited availability:** note the small number of cases produced of this wine.
