

TASTE THE ADVENTURE

## Argentina Adventure Package

### ***Chamana Herbal Infusion Tea***

Chamana Herbal Infusion Teas are made from high quality dried flowers, fruits, leaves, seeds, and spices from the Andes Mountains and are blended with rooibos from South Africa to create unique and exotic combinations of flavors, aromas, colors, and textures. In each cup, you will taste the freshness of the mountains, the valleys of the spices, and the sweetness of the rain forest. Made to refresh the senses and sooth the spirit. Enjoy!

### ***Cachafaz Organic Cookies***

Cachafaz Organic Cookies are a deliciously healthy treat made with 100% whole wheat flour, 100% whole cane sugar, natural antioxidants, and sunflower oil. This new line of Integral Cookies can be enjoyed as a dessert, a guiltless snack, or even for breakfast with a fresh cup of coffee. A range of flavors are available, all made with fresh, good-for-you ingredients.

### ***Patagonia Berries Jam***

Patagonia Berries is a brand of jams, 100% natural, and made without any preservatives. Each distinctively flavorful jam offers an irresistible gourmet experience with exquisite flavor and delicate texture. The only ingredients are fresh fruit and natural sweeteners. Patagonia Berries Jams are made in Patagonia from start to finish - from the hand harvesting of the fruit to the preparation of the jam. Spread on toast, crackers, or fresh bread for a tasty treat.

### ***Chimichurri Sauce***

This authentic Chimichurri sauce is everything you love about Argentinean cuisine! Derived from the traditional chimichurri recipe, this world-famous steak sauce features a perfect blend of oils, herbs and spices of the finest quality. Use as a marinade on your favorite meats, or drizzle on top of freshly barbecued steaks.

### ***La Salamandra Dark Chocolate Dulce de Leche***

La Salamandra of Argentina is internationally recognized for producing the finest authentic dulce de leche ("sweet from milk") caramel sauce. Pure and creamy, this sauce is made from three simple ingredients - milk, sugar and vanilla. In Argentina, Dulce de Leche is traditionally used as a spread for breads (like peanut butter) or as a dipping sauce for cookies. Indulge, and enjoy!
