ANTHEM WINERY
2014 CABERNET SAUVIGNON

Beckstoffer Las Piedras Vineyard, St. Helena, Napa Valley

Founded in 2009 By Julie and Justin Arbuckle, Anthem Winery is nestled within the Mount Veeder AVA of Napa Valley. This one-of-a-kind appellation, with the highest elevations in the Valley (up to 2,400 feet), has one of the most extreme and rugged growing conditions with steep, winding slopes that demand nearly all vineyard work to be done by hand. The result? Extraordinary wines with pronounced depth, complexity and intensity. It is for this reason that Julie and Justin Arbuckle zeroed-in on Mount Veeder when they began their search for a home and vineyard in the world-renowned wine growing region of Napa Valley.

The Arbuckles met back in 1990 while attending UC Berkeley. When they first visited Napa Valley in 1996, it was love at first sight. They were captivated with the natural beauty of the land and vineyards, and all of the amazing experiences, food, and wine the Valley had to offer. It was clear this place would be very special to them. After Julie and Justin were married in 1999, they opted to honeymoon in Napa Valley, staying at the beautiful Silverado Resort and Auberge du Soleil. By 2005, they were spending so much time in Napa that they decided to search for a permanent home there while expecting their first child. The couple was especially drawn to Mount Veeder, with its ability to produce some of the best wines they had ever tasted, so it was here that they purchased some land and began the groundwork of starting Anthem Winery.

The Mount Veeder property already had a small Merlot vineyard on site, but the Arbuckles got to work planting additional acreage to Cabernet Sauvignon, Cabernet Franc, and Petit Verdot. Today, this six-acre estate vineyard is 'Napa Green' certified, which shows the Arbuckles' commitment to sustainability and protecting the land, its natural beauty, and valuable resources. In addition to crafting wines from their estate vineyard, Julie and Justin also source fruit from a couple of reputable sites nearby - Carsi Ranch and Beckstoffer Las Piedras. It is their hope to build a Napa Green winery and tasting room adjacent to their Mount Veeder vineyards in the near future.

Winemaker for Anthem Winery is Jeff Ames, an explosive talent who has made some of California's most acclaimed wines from some of the state's most notable vineyards. He shares the Arbuckles' guiding principle of working for only the highest quality from vine to bottle, and together, they have put Anthem Winery on the map with the top producers in the Valley. We hope you enjoy this wonderful wine from Anthem Winery. Cheers!

Accolades and Tasting Notes

94 Points - Wine Spectator

Anthem's 2014 Cabernet Sauvignon comes from St. Helena's Las Piedras Vineyard, which is managed by Beckstoffer and is one of their six heritage vineyards in the Napa Valley, with vines planted for over 150 years. 'Las Piedras' translates to 'little pebbles' in Spanish and is a nod to the gravelly river washed soil on the property. This beautiful wine offers a compelling blend of power and finesse with notes of dark fruit, espresso bean, dark chocolate, and a touch of oak. The long, persistent finish is complex and incredibly satisfying. Aged 18 months in oak. 100% Cabernet Sauvignon. Enjoy!
