WHAT'S A SPECIAL FEATURE?

While searching for exceptional wines to feature in one of our six wine club series, every so often we discover a **no-brainer, must-have-wine** that deserves extra special attention. Typically, these discoveries are *off-the-charts* delicious and with such *limited production* there just isn't enough to go around. Special Feature wines don't come along very often, but when they do, we assure you it's an opportunity you won't want to miss.

CADE

This *Special Feature* comes from CADE Estate Winery, a branch of the reputable PlumpJack Winery family that was established by Gavin Newsom, Gordon Getty, and John Conover. Founded in 2005, CADE was built to exclusively craft luxury, high-altitude estate Cabernet Sauvignon from Napa Valley's Howell Mountain AVA. It has since become a cult favorite in the region.

Always the wine enthusiast, Gavin Newsom started PlumpJack Winery in 1995 with philanthropist and friend Gordon Getty. Gavin currently serves as Lieutenant Governor of California and was previously the Mayor of San Francisco for multiple terms. Together, Gavin and Gordon have built a dynasty in Napa Valley including PlumpJack, CADE, fine restaurants, resorts, and retail outlets. Longtime wine industry executive John Conover joined the team in 1999 and is one of the founders of CADE Estate Winery.

The name *CADE* comes from Shakespeare, who used the term to refer to the wine casks - or *ca-des* - that were shipped from Bordeaux to England during Elizabethan times. Although the name may suggest a traditional, historical style of wine, CADE is actually known for quite the opposite. One of the most unique, state-of-the-art wineries in Napa Valley, CADE takes a modern approach to winemaking and is actually the first organically farmed LEED (Leadership in Energy and Environmental Design) Gold Certified estate winery in Napa Valley. In addition to this prestigious certification, winemaker Danielle Cyrot ensures her wines are making just as big a statement. CADE's extraordinary wines have landed a multitude of 90+ scores over the years and the winery has become one of the most spectacular (and under-the-radar) wineries in Napa Valley today. Cheers!

2012 RESERVE CABERNET SAUVIGNON

CADE's Reserve Cabernet Sauvignon is the winery's best expression of their estate vineyard on Howell Mountain. Inky purple in color, this wine exudes aromas of coffee, boysenberry, graham cracker and black cherries. On the palate, this wine is opulent and voluptuously textured with flavors of creme de cassis, milk chocolate, blueberry pie, and mulberry fruit. The richness and density are effortlessly in balance with the structure and tannins. An extraordinary achievement by CADE Estate. Enjoy now until 2022.
