

# Annual Champagne

## Special Feature

### CHAMPAGNE BERNARD REMY PRESTIGE BRUT CUVÉE

Exclusive, Direct-Import from France

Cheers! It's time again for our celebrated *Annual Champagne Special Feature!* We are pleased to offer yet another exclusively imported, incredible selection - this year from France's esteemed Champagne Bernard Remy, located in the heart of the little village of Allemant in the famed Cote des Blancs sub-region of Champagne, France.

Bernard Remy bought his first vineyard in 1968 and since then, has built a long-standing reputation for his exquisite wines full of delicacy, creaminess and life! The Champagne House has expanded greatly over the years, and today offers a variety of award-winning cuvées of Chardonnay, Pinot Noir and Meunier (the primary varietals for crafting Champagne). The Remy family's fruit is grown across twenty-seven acres and under the guidance of Bernard and his son Rudy, the grapes are carefully blended to make refined Champagnes with subtle, delicate flavors and world-class sophistication. Champagne Bernard Remy is on a constant quest for perfection, and that dedication can be tasted in each bottle.

The Bernard Remy Prestige is a Brut Cuvée of 60% Chardonnay, 30% Pinot Noir, and 10% Meunier, offering complex and balanced notes from the first sip to the long, lingering finish. Deep golden in color, the Prestige opens with refined notes of toasted brioche on the nose and round, smooth flavors of candied fruit and delicate flowers on the palate - finding just the right balance of sweetness and delicacy. The shimmering, vigorous bubbles keep this Champagne fresh, lively, and perfectly in balance, making it the perfect choice for any celebration!
