GREGORY JAMES | 2014 Pinot Noir

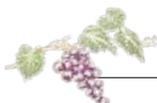

Hawk Hill Vineyard, Sonoma Coast

A passion project founded by Greg Adams and Jim Demuth, Gregory James is an ultra-boutique, site-driven wine producer, growing and sourcing grapes from the extreme coastal environment of the West Sonoma Coast. Here, the cool coastal fog dramatically covers the varied terrain and helps produce grapes of remarkable intensity and character. Gregory James' vineyard sites are tucked away in these rolling hills, bucolic valleys and dramatic ridge tops, each location telling its own unique story. The winery focuses on Pinot Noir and Chardonnay that thrive in this cool climate region and showcase the distinct terroir of each vineyard.

The owners behind this namesake winery, Greg Adams and Jim Demuth, met digging in the dirt - Jim on the excavator and Greg sampling soil inside a pit. Although in different professional fields, Jim in construction site development and Greg in vineyard development and management, they found a common bond with their love of wine and quickly built a friendship based on their shared passion for hard work, laughter, and the great outdoors. The two became friends and partners who now create Gregory James wines together.

Greg is the winemaker and vineyard manager for Gregory James. His career has been rather impressive to this point, taking him from vineyard development projects in Argentina to some of the most prestigious wineries in Napa and Sonoma. He runs his own vineyard management consulting business and is proud to have an outstanding list of winery and vineyard clients including Patz and Hall, Lynmar, Red Car, and Freeman Winery. Greg is also the current viticulturist and winemaker for Baker Lane Vineyard. With access to such desirable fruit, Greg is able to source fruit for Gregory James Wines exclusively from vineyards that he manages.

Year after year, the Gregory James vineyards (Barnett Valley Ranch, Patient Terrier, and Hawk Hill) continue to show their extraordinary character through a collection of premium level, site-driven wines. We hope you enjoy this latest release from Gregory

Accolades & Tasting Notes

91 POINTS - *PinotFile*

Greg Adams has been working with the Hawk Hill Vineyard for over 13 years and it continues to be one of his favorite sites for growing Pinot Noir. Located high on a southern facing ridge top, above the fog line, this cool-climate vineyard produces exceptional grapes with the bright red-fruit signature of the region. The 2014 Hawk Hill Vineyard Pinot Noir is incredibly fragrant with notes of cherry blossoms, conifer, black cherry, and a subtle hint of bay leaves. Its silky mouthfeel begins with flavors of wild raspberry and finishes with touches of tangerine oil and cranberry. This Pinot Noir is beautifully balanced with mouthwatering acidity and supple tannins that lead into a soft, elegant finish. Aged 10 months in oak. Enjoy now until 2022.
