## PlumpJack Winery 2014 Syrah | Napa Valley

Nestled in the nape of the Vaca Mountain range on the eastern side of the Napa Valley, the facility now home to PlumpJack Winery was founded in 1881 and was the original site of Villa Mt. Eden Winery. Continuing in the tradition of producing dynamic, richly complex wines, PlumpJack Winery has made producing the finest wines possible its goal since 1995. Founder Gavin Newsom first got into the wine business in 1992 when he opened a small wine shop in San Francisco.

The shop flourished, and three years later the fledgling company purchased an incredible property in the Oakville District of Napa Valley and named it after the wine store that had already been called PlumpJack. The PlumpJack Group portfolio has since grown to include several restaurants, two wine shops, two boutique clothing stores, two luxury resorts and a trendy club, along with the aforementioned PlumpJack Winery, in its highly visible Wine Portfolio. While PlumpJack Winery maybe synonymous with world class Cabernet, what many do not realize is that the winery produces a small amount of Syrah as well. Many tasting room visitors come for the Cabernet, but end up leaving with the Syrah . . . and we can't blame them!

The rich opulent flavors of PlumpJack's Syrah make it hard to resist, and we hope you enjoy their latest highly desirable release.

### Accolades & Tasting Notes

- 96 POINTS** - Robert Parker's Wine Advocate
- 94 POINTS** - Wine Spectator
- 94 POINTS** - Antonio Galloni, Vinous

The grapes in the PlumpJack 2014 Syrah were sourced from two incredible vineyards in the Napa Valley: the Hudson Vineyard in Los Carneros and the Stagecoach Vineyard on Atlas Peak. These unique AVAs provide this wine with its signature characteristics. The cool, foggy Hudson Vineyard adds a smoky and gamey nose layered with white and black pepper along with some floral notes, while the sunny and rocky Stagecoach Vineyard expresses the elegance of mountain fruit - intense and concentrated, with aromas of blackberry, boysenberry and huckleberry. On the palate, this wine is full-bodied, shows rich flavors of blue and black fruits, while the nicely integrated acidity, tannins and wood all make for a compelling example of a superb Syrah. Aged 16 months in French oak. Enjoy now until 2027.
