WHAT'S A SPECIAL FEATURE?

While searching for exceptional wines to feature in our six wine club series, every so often we discover a **no-brainer, must-have-wine** that deserves extra special attention. Typically, these discoveries are *off-the-charts* delicious and with such *limited production* there just isn't enough to go around. Special Feature wines don't come along very often, but when they do, we assure you it's an opportunity you won't want to miss.

SOJOURN CELLARS

This *Special Feature* comes from Sojourn Cellars, arguably one of the most reputable artisan Pinot Noir producers in California. Founded in 2001 by Craig Haserot and Erich Bradley, Sojourn Cellars is located in Sonoma and sources fruit from some of the most distinguished vineyards in the surrounding Sonoma and Napa Counties. The team is always seeking out new vineyard locations to further diversify their already exceptional line up of mostly Pinot Noir, and a few bottlings of Chardonnay and Cabernet Sauvignon. Over the years, Sojourn Cellars has become a highly acclaimed winery with nearly every vintage of every wine garnering 90+ scores from the top wine industry periodicals. A reputation of this caliber is rarely seen, and it's no question that the Sojourn wines are all in high demand. We hope you enjoy this exceptional Special Feature from a now legendary winery. Cheers!
