Blair Vineyard, Napa Valley

560 Cases Produced

S.P. Drummer Wines are produced by Scott Peterson, a seasoned winemaker and consultant with over twenty years of winemaking experience in California, South America, and Europe. Scott developed an interest in wine while working the restaurant trade in Sacramento and decided to pursue a future in the industry. He went on to study enology at UC Davis, and participated in internships at such reputable wineries as Iron Horse Vineyards and Chateau St. Jean before holding winemaker roles at Villa Mt. Eden, Conn Creek and Kendall-Jackson – not a bad repertoire to build winemaking experience from! Scott was also mentored by the “Father of California winemaking” Andre Tchelistcheff, whose vast knowledge and scientific approach to winemaking helped shape the winemaker Scott Peterson has become today. By 1998, Scott was able to pursue his own dream of starting a winemaking consulting business and producing his own wine, called *S.P. Drummer*. The name *S.P. Drummer*, by the way, pays homage to Scott’s childhood when he played the drums for six years as a member of the Fife and Drums Corps. He has since become attached to the instrument. Today, Scott balances his time between making his own wines in the Napa Valley, while at the same time consulting for wineries in Argentina and Chile. Scott’s world-class wines are a true testament to his worldly experience, incredible knowledge, and extreme attention to detail.

ACCOLADES & TASTING NOTES

This sixth vintage of S.P. Drummer wines is a blend of Cabernet Sauvignon (55%) and Cabernet Franc (45%) from the Blair Vineyard located on the Silverado Trail in Napa Valley. Winemaker Scott Peterson says, “this stellar wine is the best Blair Vineyard designate produced to date” and *Wine Spectator* supports the statement with an impressive **90 Point** score. Intense aromatics of exotic flowers, violets and lavenders fill the glass and blend with delicious nuances of ripe black cherries and plums. The flavors reflect ripe stone fruits that are deep and complex, richly textured, and yield muscular, but velvety tannins on the rich finish. This lush and elegant wine was aged 20 months in oak and will pair seamlessly with lamb, steaks, and rich pasta dishes. Enjoy now until 2014.
